Fees and Payment Options

The commitment to the new club rooms and future growth and development of the club through the expansion of junior teams has necessitated higher goals for fundraising.

Sponsorship of players is one such initiative in a bid to keep fees as low as possible particularly for juniors who are the next generation of the club.

The cost of running a hockey club is significant. Ground hire for training and games, insurance, equipment and umpires fees and team registrations to Hockey Victoria mount to a very significant figure.

The first responsibility of every player is to pay their fees so that these basic requirements are met. Not paying fees on time is letting your teammates, your hockey club and yourself down.

You can also assist in keeping fees down by supporting all fundraising efforts or joining the fundraising committee

Fees are payable BEFORE Round 1.
