

CLUB SPONSORSHIP

Thank you for taking the time to consider a sponsorship opportunity with Frankston Hockey Club.

We are seeking the support and involvement of the local community to assist the club in the further development of sport in the area. Particularly in recruitment, coaching and development of junior players.

Frankston Hockey Club has a history of 35 years of successfully promoting sport in the area, with some players going on to represent Victoria and Australia.

We field over 20 teams for ages and abilities ranging from Under 9's through to Veteran's. Some of our senior and junior teams play the highest grade in the local area.

The Peninsula Hockey Centre, our home ground is one of the best facilities in the state particularly with the addition of the new pavilion.

We commit to working closely with our sponsors to ensure ongoing support from our large membership and supporter base.

Your sponsorship will help a junior player achieve their potential and may be helping a future Olympian.

Sponsorship Opportunities

**Promoting mutual benefits with
the Local Community**

The Benefits of Sponsorship

During the winter season over 130 home games of hockey will be played by Frankston Hockey Club teams at the Peninsula Hockey Centre.

These games cover the whole weekend from Friday night through to Sunday evening. The games will be played against teams from the entire Metropolitan area and as far afield as Bendigo and Geelong.

Therefore the public profile benefit to any business advertising at the ground is large in both numbers of people exposed to the advertising and the areas they are from.

The club has a monthly newsletter and website providing further opportunity to promote your business. Some packages include a direct mail out to our member data base and the chance to set up a stand on home weekends, should it be required, and the privilege of addressing the club at Presentation Night.

We will also be able to provide signage inside the clubrooms when they are finished.
